This year's curriculum

The curriculum can be found on the website, and I have put a copy in your pack.

Reading

In school, we follow the Read Write Inc. phonics scheme for KS1. This is also used for some children in KS2 that further require it.

In KS2, we follow the Reading Rainbow in guided reading lessons. Here we will read a book every half term. We will read it as a class, in pairs and individually. Twice a week we will focus on reading comprehension. One of the sessions is modelled by the teacher and the second session the children complete it on their own. This year, we are starting with RWI Comprehension.

Reading

Children will have 2 reading books- 1 reading book (either a RWI book or a book of their choosing) and a library book.

We ask that you read with your child 3 times a week and record this in their yellow book.

Homework

Homework books will be handed out Fridays to be returned Wednesdays.

Homework will consist of maths questions which will practice key skills.

Y2 homework: 12.09.2025

Due in: 17.09.2025

A: Place Value, Add and Subtract	
1. What is the missing number? 0 2 4 6 8 10	2:1
2. What is the value of the 8 in this number? 83	2:2
3. What number is labelled? 	2:3
4. Which numbers are < 15 ? 12 14 16 18	2:4
5. Write this number in numerals. sixty five	2:5
6. There are 30 children in a class. 15 are girls. How many are boys?	2:6
7. $20 - 16 =$	2:7
8. $34 + 10 =$	2:8
9. Is this true? Write 'yes' or 'no'. $19 + 8 = 8 + 19$	2:9
10. Use $31 + 23 = 54$ to help find: $54 - 31 =$	2:10

Y3 homework: 12.09.2025

8. Circle the best estimate to $59 + 39$: 80 90 100 110	3:8
9. One orange costs nineteen pence. How much will three oranges cost?	3:9
10. What is the missing number? - 19 = 13	3:9

***Please do not worry about the homework. If children are struggling, then leave it and come and speak to us. We don't want it to cause any issues and I am more than happy to help.**

Spellings

Spellings for the half-term will be in the Homework books and can be found on Oak Class's Webpage.

We will have a spelling test on a Friday.

Please practise the spellings with your child but again if there are any issues, then please come and speak to us. We don't want any upset caused by spellings.

There will be up to 9 Y2 spellings and 10 Y3 spellings.
These will all follow a spelling rule with some additional common exception words (in blue)

Times tables

In Oak Class, children in Year 2 will need to know all their 2,5 and 10 times table. The Year 3's will need to know these as well as their 3, 4 and 8 times tables. We practise them daily in school but practising at home will help too.

We will have a times tables test on Friday.

Children have Purple Mash logins that can be used to log into Purple Mash and practice times tables on there.

If you would like a copy of their login, I would be happy to get that for you.

Maths

We follow the White Rose Hub maths scheme.

The calculation policy can be found on the website if you are struggling to explain something when doing homework this may help.

The WRH promotes the use of manipulatives such as cubes, counters, Base 10 to help pupils understand and solve mathematical problems. It uses lots of visuals such as tens frames, part-whole models and bar models in order to aid children's understanding.

Staying Safe Online

At school we have systems in place to ensure children are safe when using the internet.

We ask that you keep an eye on your child's internet access at home and to notify us of anything concerning that may have been accessed.

This is so we can keep children safe online.

SEND

If you have any concerns or suspect your child may have a special educational need then please contact Mrs Clementis to discuss this further.

You can make an appointment by speaking to Mrs Clementis or the office or by emailing the school office - office@sas.bcwcats.co.uk

Facebook

All classes share what we have been getting up to on Facebook. It is a great way for you to engage in your child's learning and hear all about what is happening across the school.
