Friday RK	Registration Multiplication test	Guided reading	English (inc Fluent in 5 and handwriting)	K	Maths (inc times table test)	H	Art/D.T		W.S Celebration Assembly - 3pm end	

Important Days

Monday - Library books changed if necessary

Tuesday - Swimming

Thursday – PE (pupils to wear PE kit to school), New spelling handed out and spelling test, singing with Mr Whitmore.

Friday - Homework collected in

- Homework will be handed out
- Times table test.
- Celebration Assembly

This year's curriculum (cycle A)

At St. Anthony's we have a 2 year curriculum cycle so that pupils who are in a class for 2 years are not repeating the same curriculum.

The curriculum can be found on the Website and I have put a copy in your pack.

Reading

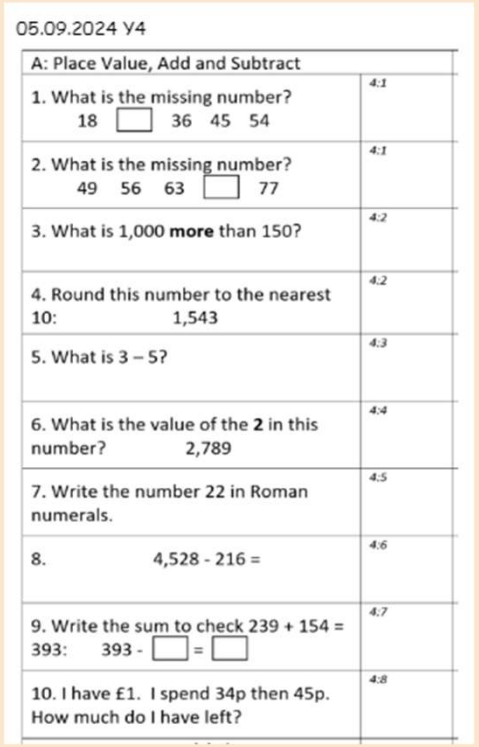

In school we follow the Read Write Inc phonics scheme for KS1. This is also used for some children in KS2 that further require it.

In KS2 we follow the reading rainbow in guided reading lessons. Here we will read a book every half term. We will read it as a class, in pairs and individually. Twice a week we will focus on reading comprehension. One of the sessions is modelled by the teacher and the second session the children complete it on their own.

Homework

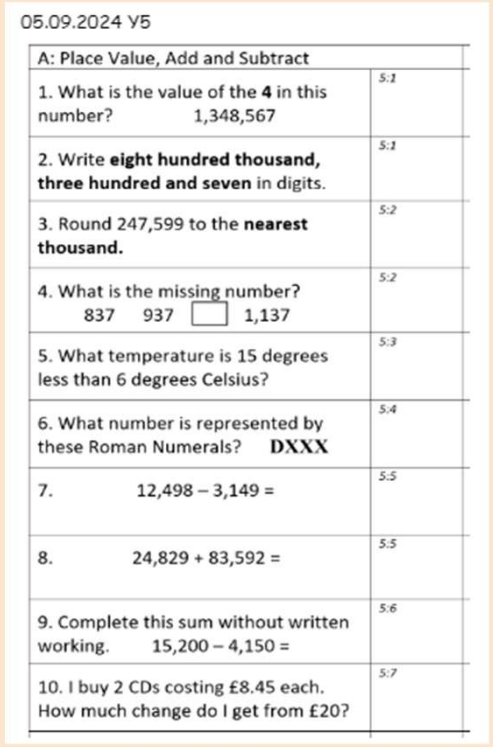

Homework books will be handed out Fridays.

There will typically be some maths questions to practice key skills e.g.

05.09.2024 Y4

A: Place Value, Add and Subtract	
1. What is the missing number? 18 ☐ 36 45 54	4:1
2. What is the missing number? 49 56 63 ☐ 77	4:1
3. What is 1,000 **more** than 150?	4:2
4. Round this number to the nearest 10: 1,543	4:2
5. What is 3 – 5?	4:3
6. What is the value of the **2** in this number? 2,789	4:4
7. Write the number 22 in Roman numerals.	4:5
8. 4,528 - 216 =	4:6
9. Write the sum to check 239 + 154 = 393: 393 - ☐ = ☐	4:7
10. I have £1. I spend 34p then 45p. How much do I have left?	4:8

05.09.2024 Y5

A: Place Value, Add and Subtract	
1. What is the value of the **4** in this number? 1,348,567	5:1
2. Write **eight hundred thousand, three hundred and seven** in digits.	5:1
3. Round 247,599 to the **nearest thousand.**	5:2
4. What is the missing number? 837 937 ☐ 1,137	5:2
5. What temperature is 15 degrees less than 6 degrees Celsius?	5:3
6. What number is represented by these Roman Numerals? **DXXX**	5:4
7. 12,498 – 3,149 =	5:5
8. 24,829 + 83,592 =	5:5
9. Complete this sum without written working. 15,200 – 4,150 =	5:6
10. I buy 2 CDs costing £8.45 each. How much change do I get from £20?	5:7

***Please do not worry about the homework. If children are struggling then leave it, do the ones they can do and come and speak to us. We don't want it to cause any issues.**

Towards the end of the year the homework will also include SPAG.

Spellings

Spellings for the half-term will be in the Homework books and can be found on the Class 4 Webpage.

We will have a spelling test on a Monday.

Please practise the spellings with your child but again

if there are any issues then please come and speak to us.

We don't want any upset caused by spellings.

There will be upto 15 Y4 spellings and 10 Y5 spellings.

These will all follow a spelling rule with some additional common exception words (in blue)

Typical spellings:

19.09 /i/ sounds spelt y
myth
gym
Egypt
pyramid
mystery
dynasty
symbol
synagogue
mysterious
mystical
accident
accidentally
actual
actually
address

Times tables

In Class 4 children will need to know all of the times tables up to 12X12. Year 4 should currently know 2, 3, 4, 5, 8, 10 from previous year groups. Within the academic year we will learn 6, 7, 9, 11 and 12 times tables. Y4 will then sit a government multiplication test in early summer.

We will have a times tables test on Friday.

Please log into Purple Mash and practice times tables on there, your child should know their login details, if they do not they can get them from me.

We also use TT Rockstars everyday in school and children can practise at home as well using their logins.

Purple Mash by 2Simple

Maths

We follow the White Rose Hub maths scheme.

The calculation policy can be found on the website if you are struggling to explain something when doing homework this may help.

St. Anthony's Catholic Primary School a Voluntary Academy - Maths (bcwcat.co.uk)

The WRH promotes the use of manipulatives such as cubes, counters, Base 10 to help pupils understand and solve mathematical problems. It uses lots of visuals such as tens frames, part-whole models and bar models in order to aid children's understanding.

Staying Safe Online

At school we have systems in place to ensure children are safe when using the internet.

We ask that you keep an eye on your child's internet access at home and to notify us of anything concerning that may have been accessed.

This is so we can keep children safe online.

SEND

If you have any concerns or suspect your child may have a special educational need then please contact Mrs Clementis to discuss this further.

You can make an appointment by speaking to Mrs Clementis or the office or by emailing the school office - office@sas.bcwcat.co.uk

Twitter and Facebook

All classes share what we have been getting up to on X (used to be Twitter) and Facebook. It is a great way for you to engage in your child's learning and hear all about what is happening across the school.

Twitter - @StAntsShipley

Facebook - St Anthony's Catholic Primary School, Shipley

Thank you

Thank you for your time this afternoon.

Please feel free to as me any questions or individual concerns.

You can also email me at:
